

I am a subscriber to Satellite Radio via XM Radio. It is both for pleasure and utility. When I use it on my motorcycle I benefit greatly from the variety of programming, especially the Traffic and Weather stations. I pay for this service and it should not be up to the NAB to dictate what I can and cannot hear. Please reject the NAB petition 04-160 and support my rights to subscribe to XM's service to provide the kind of programming I want and deserve. Thank you very much for your kind attention.
